

Week of June 20th – June 26th

True Treasures

Ages infant to 2 years

Your child is being taught Sunday AM and Wednesday PM that:

- Jesus loves them.
- They are special to God.
- We're so glad they come to Word & Spirit Church.
- We love our Bible.
- The Bible is God's Word.
- Their Pastors love them.

This week we suggest that you:

- Read your child Genesis 1:1-21.
- Tell your child "God created everything GOOD. God made the fish."
- Fish are good swimmers. They live in the water.
- Show your child picture or a DVD of fish. Got to a pet shop and look fish in the aquariums.
- Tell your child, "God made all these pretty fish for us to enjoy."

Read these Bible verses to them:

- The verse we are speaking into your child's life for the entire month of June is

Genesis 1:27, "God created man in his own image; in the image of God He created him; male and female He created them."

- Show your child a picture of himself. Say, "Here's _____. God made you. You are wonderfully made. We love you and God loves you."
