

Week of June 27th – July 3rd

True Treasures

Ages infant to 2 years

Your child is being taught Sunday AM and Wednesday PM that:

- Jesus loves them.
- They are special to God.
- We're so glad they come to Word & Spirit Church.
- We love our Bible.
- The Bible is God's Word.
- Their Pastors love them.

This week we suggest that you:

- Read your child Genesis 1:1-21.
- Tell your child "God made the birds. Most birds can fly. They make nests for homes."
- Listen to the sounds the birds make outside your home.
- Point out birds you see around town and in your yard.
- Tell your child "God made the beautiful birds for us to enjoy."

Read these Bible verses to them:

- The verse we are speaking into your child's life for the entire month of June is

Genesis 1:27, "God created man in his own image; in the image of God He created him; male and female He created them."

- Name everybody your child knows and say "God made them and God loves them. We are created by God. We are created in His image."
